

# US-89

FARMINGTON TO I-84

## Community Coordination Team Construction Phase Meeting #1

February 20, 2019

# MEETING AGENDA

Welcome & Core Value Moment

Noise Walls

Construction Phasing & Impacts

- 200 N/400 N Fruit Heights
- Oak Hills
- Gordon Ave & Extension

Communication Plan

CCT Role During Construction

Final Comments & Questions

# PROJECT CORE VALUES

## Core Values

Trust  
Safety  
Fiscal Responsibility  
Passion  
Public Responsiveness  
Dedication

# NOISE WALL BALLOTING UPDATE

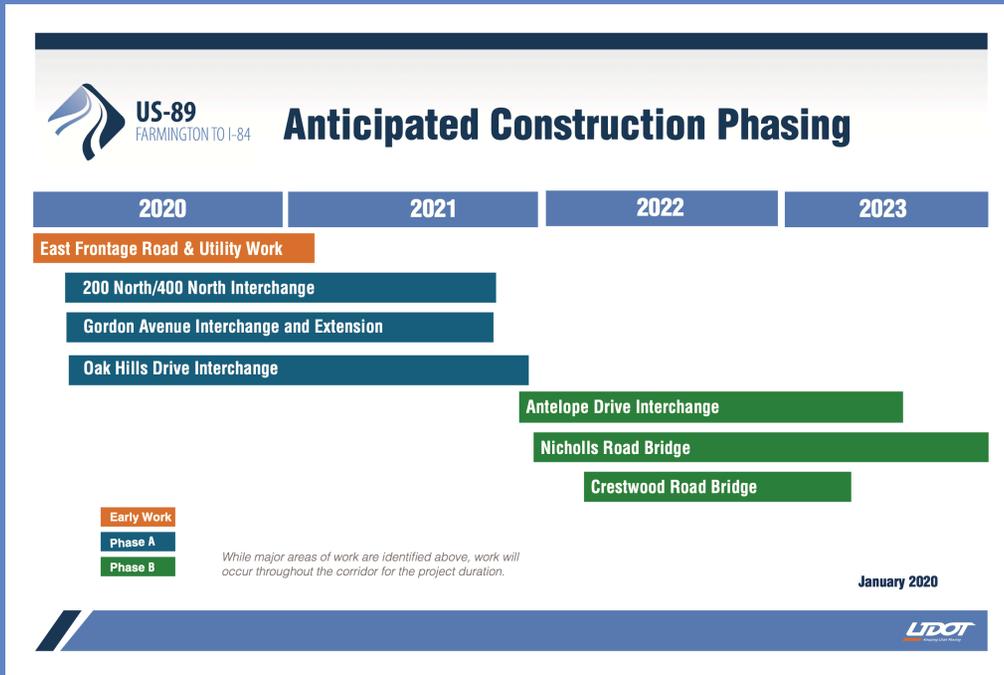

**316** ballots distributed to **398** benefited receptors and immediately adjacent properties (UDOT-owned properties only received a vote if tenant-occupied).

- ✓ Mailing 1 – January 14
- ✓ Door-to-door flyering – January 31
- ✓ Mailing 2 – February 10
- ✓ Final receipt deadline – February 24

75% of ballots distributed must be returned & 75% of those pro-wall.

# CONSTRUCTION PHASING

## Anticipated Construction Phasing Map

The project team will maintain access while widening the roadway and building the new bridges and interchanges by alternating major areas of work. Two lanes will be maintained in each direction during peak travel times on U.S. 89.

### Early Work

- Utility work west of U.S. 89 between Main St. and 400 North

### Phase B

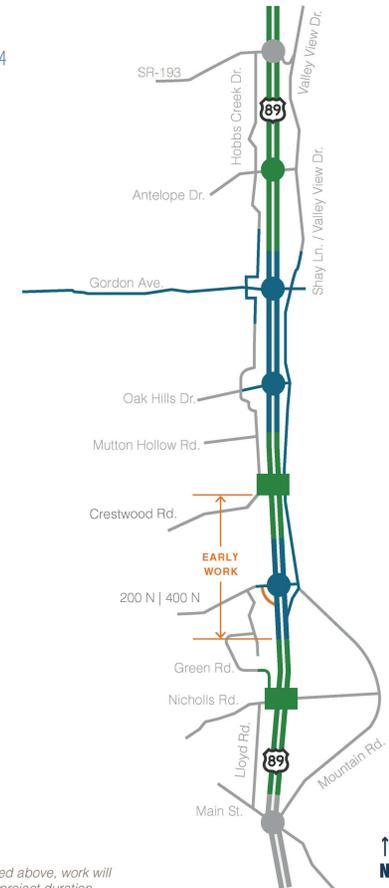

- 200 N/400 N
- Gordon Extension
- Gordon Interchange
- Oak Hills Interchange
- East Frontage Rd

### Phase C

- Antelope Dr. Interchange
- Nicholls Bridge
- Crestwood Bridge

### Map Legend

- Bridge
- Interchange

### January 2020

*While major areas of work are identified above, work will occur throughout the corridor for the project duration.*

# CONSTRUCTION IMPACTS

Early work activities (March – May) include:

- UDOT-owned Home Demolition
- Utility relocation
- Frontage Road grading
- Temporary pavement to maintain traffic
- Earthwork for bridge stabilization

Impacts include:

- Day & night work
- Noise, dust, vibration & light
- Additional trucks and equipment
- Changes in access

# CONSTRUCTION PHASING – By Area

## **EAST FRONTAGE ROAD:**

Work will occur on the east side frontage road from just north of Cherry Lane in Layton to the Mountain Road in Fruit Heights. Expect traffic shifts and changing driveway configurations in this area throughout the project.

## **GORDON AVENUE INTERCHANGE & EXTENSION:**

Much of the Gordon Avenue extension will be constructed in currently undeveloped areas, with the exception of the interchange tie-in to U.S. 89. Early pioneering, clearing, utility work and grading will occur in the area west of U.S. 89 where the new extension will be built. The extension is planned to open to traffic in Fall 2021.

# CONSTRUCTION PHASING – By Area

## **OAK HILLS:**

West side work will occur along Woodridge Drive and the area northwest of U.S. 89, as well as along the east side to Fruit Heights. Southwest side work could begin as early as late spring to create a new road on the west side from 2800 East to the Frontage Road in Layton.

## **200 N/400 N FRUIT HEIGHTS:**

East side work will occur on east side of U.S. 89 from the Mountain Road in Fruit Heights, all along the east side up to Cherry Lane.

West side work will also begin on 200 North, Fruit Heights, west of U.S. 89 to construct the connection to the new U.S. 89 mainline. Access will be maintained, but lanes will be shifted. Other work activities will occur on the west side of U.S. 89 down to Green Road and up to Elias Road.

# COMMUNICATION PLAN – Kick-Off

## Week of Feb 10:

- Fruit Heights City-Hosted Open House
- Facebook Live Recap of F.H. Open House
- Construction Kick-off Digital Site
  - Email
  - Social Posts

## Week of Feb 17 (after the holiday):

- Postcard Mailer
- Digital Ads

## Week of Feb 24

- Media Outreach

# CCT ROLE DURING CONSTRUCTION

We hope the CCT will:

- Disseminate information to neighbors/community regarding construction activities
- Provide feedback from neighbors/community members to the team
- Evaluate the contractor's performance based on agreed-upon criteria.

Past CCT criteria have included:

- Responsiveness - whether issues raised with the team are taken seriously and addressed efficiently
- Transparency – Sharing information in a timely manner
- Traffic Control maintenance
- Site Cleanliness
- Safety

# NEXT CCT MEETING – April 16, 2020

## SUGGESTED AGENDA ITEMS:

- Confirm evaluation criteria
- Early work feedback & community questions
- Summer work plan

**OTHER QUESTIONS OR ITEMS FOR DISCUSSION?**

# U.S. 89 TEAM CONTACTS

## Communications Team

- Aubry Bennion
- Leah Jaramillo
